NOW FOR THE GARDEN.

(From Mutual Messenger)

With the rapid approach of Spring we should plan to utilize every available inch of garden space. This should be done in the same systematic manner which is characteristic of the successful business man. To go about the task half-hearted will produce but a small percentage of the desired production. Good seed and fertile soil are not the only requisites; to these must be added some hard-work, responsive hands and a goodly portion of "yellow grease." Gardening in 1918 is not to be conducted on the "just for fun" order. The question of maximum production of first quality vegetables looms up big as one of first

importance. If there is to be an indifferent attitude toward this proposition now there will be the inevitable high prices next fall and winter and much offering will result. Why not get on friendly terms with the spade, rake and hoe—they will help win the war and will pay immense dividends on your investment.

JUDGE RICHARDSON MAKES LIBERTY LOAN TALK.

Judge Granville A. Richardson made a stirring five minute talk at the Lycomon last Saturday night and urged the people of Clovis to support the next Liberty Loan which will be announced April 1st. Judge Richardson recommended that a county organization be formed to go squarely in behind the drive. He also said that a movement was on foot to have Mr. Douglass Fairbanks stop in Clovis and make a talk on the necessity of getting in behind the loan and putting it over.

HALF HOUR'S JOB LIKE A DAY'S WORK

Chemical Co. Foreman Says He Has Taken New Lease On Life.

"Tandac has simply given me a new lease on life," said O. A. Cook, who lives at Harrisburg, Texas, and is foreman for the Fidelity Chemical Company, while in Klesing's Drug Store, recently.

"Before I commenced taking it," he continued, "I was so run down and miserable a half hour job would tire me as much as a whole day's work does now. My legs were weak and pained me, often suffered with backache and indigestion and my nerves were so unstrung that I was irritable and out of sorts all the time. I would get up in the morning feeling as tired and worn out as if I hadn't gone to bed and my work was an actual punishment to me."

"I had reached the point where it was necessary for me to do something for myself and I bought Tandac because I know how it helped my mother-over in Georgia. I now sleep sound, eat hearty and can do a hard day's work without feeling it. My legs and back don't hurt me like they did and everything I have to do is a pleasure instead of a burden as it was before. I recommend Tandac to everybody with those miserable, tired, nervous feelings like I had, for it certainly has straightened me out in fine shape."

Tandac is sold in Clovis by Mears Pharmacy, in Texico by Red Cross Pharmacy and in Clovis by Irwin & pool.

BETHEL NEWS.

Several new faces were seen at Sunday School Sunday. "Come Again." Grandma Daventport is staying with Mrs. Long while Earl is working in town.

C. Byers and family spent Sunday at Mr. and Mrs. Fent's and attended preaching at Ideal.

Several have put in a little garden, but the ground being cold they do not seem to grow very fast.

The Play given at Havener Saturday night by the young people of Bethel drew a good sized crowd. \$30.00 was realized from the play of which \$20.00 was given to the Red Cross and \$10.00 toward transportation expenses and giving an entertainment for the young peoples class.

READER:
C. Byers and A. Reid, started south of Clovis to get some trees but had the misfortune to break down so had to return without trees.

A. Reid and C. Evans and families spent Sunday at R. Bains.
